LUXURY BLOOMS IN BALI'S TRANQUIL SOUL

TV

Bali, the famed Island of the Gods, with its varied landscape of hills and mountains, rugged coastlines and sandy beaches, lush rice terraces, and barren volcanic hillsides all providing a picturesque backdrop to its colorful, deeply spiritual, and unique culture stakes a serious claim to be paradise on earth.

Although Bali is climatically comfortable throughout the year, and is a year-round destination, the best time to visit Bali is from April to October, the summer months in Bali.

We are also going to Gili T & UBUD!

Gili Trawangan is the largest and most popular of the three islands. It has a vibrant nightlife to keep you entertained once the sun goes down. The town of Ubud on the other hand, is known as a center for traditional crafts and dance. The surrounding Ubud District's rainforest and terraced rice paddies, dotted with Hindu temples and shrines, are among Bali's most famous landscapes.

Please Note : New Year's Period is the peak season here so we recommend you to book your flight tickets in advance as the flight prices tend to double up for the peak dates.
